Exhibit 1

Stipulation and Agreed Order

DRAFT - July 29 August 5, 2020 – CHP v56

~~[General Comment from McMoRan: Please note that the Stipulation and Agreed Order fails to identify Lease OCS-G 26064, Ship Shoal Block 144 (SS 144) as being a “GOM Obligation” that would be addressed under this agreement. Our understanding of the turnkey bid is that it, likewise, does not include decommissioning obligations for OCS-G 26064, Ship Shoal Block 144 (SS 144) but does include decommissioning with respect to RUE OCS-G 30290 and ROW OCS-G 28745, which both pertain to SS 144. Nonetheless, the Order issued by BSEE specifically references Hoactzin’s default on its obligation to decommission terminated Lease OCS-G 26064 and orders the parties to decommission terminated Lease OCS-G 26064, Ship Shoal Block 144 (SS 144). McMoRan Oil & Gas is in communications with BSEE and is seeking clarification on this issue. McMoRan’s consent to this agreement is, nonetheless, subject to verifying that all decommissioning obligations relating to OCS-G 26064, Ship Shoal Block 144 (SS 144) are addressed.]~~

¹ “SS 159”

² “SS 144”

³ For the avoidance of doubt (and notwithstanding anything to the contrary), it is understood that the GOM Obligations addressed herein shall include any remaining liabilities pertaining to Lease OCS-G 26064 and Lease OCS-G 11984.

In order for the Trustee to pay ~~CMC-Morrison~~ for any costs from the Contingency Reserve, ~~CMC-Morrison~~ must (1) deliver such request to the Trustee in writing (a "Contingency Reserve Request"), (2) Petrostream must approve the Contingency Reserve Request as outside the ~~CMC-Morrison~~ Base Bid Amount, and (3) Petrostream must distribute the Contingency Reserve Request (along with Petrostream's written approval) for notice purposes only to each Paying Entity on the

applicable GOM Obligation via email to the parties identified in the annexed Notice Parties List;

- C. Subject to and in accordance with paragraph 6 below, the balance of the Contingency Reserve, as related to each GOM Obligation, at the successful completion of the work related to such GOM Obligation will be redistributed to the Paying Entities by the Trustee in proportion to and taking into account how any Contingency Reserve funds were applied to such GOM Obligation;
- D. Subject to and in accordance with paragraph 7 below, in addition to the ~~CMC~~Morrison Base Bid Amount and the Contingency Reserve, the Parties have agreed to include in the total funding to the Trustee amounts to cover administrative expenses, including Petrostream, LP's fees and expenses (collectively, the "Administrative Costs Fund");
- E. - F. Subject to paragraphs 6 and 7 below, the Trustee shall notify all the Paying Entities (10) ten days in advance before she returns any funds to any Paying Entities in order to give the Paying Entities the opportunity to review such proposed return payments;
- G. Any dispute by ~~CMC~~Morrison, the Trustee, or the Paying Entities concerning the amount and/or nature of any payments under this Stipulation shall be submitted as a Bankruptcy Rule 9014 Contested Matter to be finally resolved by the Court upon at least 21 days' notice.

WHEREAS, the Parties have agreed, subject to approval of the Court, each of the Paying Entities associated with each GOM Obligation shall receive a full and complete release of any liability from the Trustee, the estate and all other potential creditors (not including the United States and specifically the Department of the Interior) in any way related to the Claims related to or arising out of such satisfied GOM Obligation as provided herein;

WHEREAS, the Parties now desire to enter into this Stipulation and Agreed Order solely on the terms and conditions set forth herein;

WHEREAS, the undersigned hereby represent and warrant that they have full authority to execute the Stipulation and Agreed Order on behalf of the respective parties, and the respective parties have full knowledge of and have consented to, this Stipulation and Agreed Order;

**NOW, THEREFORE, IT IS STIPULATED AND AGREED BY THE PARTIES AND
HEREBY ORDERED THAT:**

1. The foregoing recitals are hereby incorporated by reference into this Stipulation and Agreed Order as if set forth at length herein.

2. The Paying Entities and Peter Salas shall each pay to the Trustee ~~within ten (10) days of the entry by the Court of this Stipulation and Agreed Order~~, the agreed upon allocated payment in full for such ~~Paying Entity~~ Party as shown on the attached Exhibit A on the later of (a) ten (10) days after the entry by the Court of this Stipulation and Agreed Order or (b) the date on which the Morrison contract (or other contract acceptable to the Trustee and the Paying Entities) is fully executed.

3. The “Release Date” as it relates to any particular GOM Obligation shall mean the date upon which the Department of the Interior communicates that the value of the remaining outstanding obligations associated with any particular GOM Obligation is zero; provided that, the

Trustee shall file with the Bankruptcy Court a notice of the occurrence of the Release Date, substantially in the form as Exhibit B, within five (5) days upon learning or receiving notice that a Release Date has occurred regarding each particular GOM Obligation. Upon the occurrence of the Release Date as to any particular GOM Obligation, subject to the limitation contained in paragraph 10, the Trustee, the Debtor's estate, and any other creditors related in any way to the Claims related to or arising out of such GOM Obligation, on behalf of themselves, their heirs, representatives and assigns, do hereby fully, finally, and forever waive, release, and/or discharge the Paying Entities and each of their respective current and former heirs, successors, assigns, affiliates, parents, subsidiaries, assignors, predecessors, and any current or former officers, directors, shareholders, associates, employees, attorneys, agents, and other representatives of any of the foregoing, from the Claims related to or arising out of such GOM Obligation (whether prepetition unsecured, priority or administrative) and from any and all manner of claims, debts, demands, rights, interests, actions, suits, causes of action, cross-claims, counter-claims, charges, judgments, setoffs, liabilities, or any obligations of any kind whatsoever (however denominated), fees, costs, penalties, damages whenever incurred, and liabilities of any nature whatsoever (including, without limitation, direct or indirect claims, damages, interest, attorneys' fees, and any other costs, expenses or liabilities whatsoever), whether based on federal, state, local, statutory or common law, in equity, or on any other law, rule, regulations, ordinance, contract, whether fixed or contingent, known or unknown, liquidated or unliquidated, suspected or unsuspected, asserted or unasserted, matured or unmatured, arising from or relating in any way to any injuries that the Trustee, the Debtor's estate, and any other creditors have alleged or could have alleged in any action. For the avoidance of doubt, The Department of the Interior ("Interior") or any other Federal Governmental Unit shall not be considered an "other creditor" for purposes of this Order.

4. In addition to the release set forth in paragraph 3, upon payment by Fieldwood Energy LLC (“Fieldwood”) of the amounts allocated to it on the agreed payment allocation schedule is attached hereto as Exhibit A, including any Overage (as defined below), the Trustee, Debtor’s estate, Surety, and Salas, on behalf of themselves, their heirs, representatives and assigns, do hereby fully, finally, and forever waive, release any and all of Fieldwood’s predecessors-in-interest and/or assignors, including but not limited to Apache Corporation, from any claims, debts demands, rights, interests, actions, suits, causes of action, cross-claims, counter-claims, charges, judgments, setoffs, liabilities, or any obligations of any kind whatsoever (however denominated), fees, costs, penalties, damages, whenever incurred, and liabilities of any nature whatsoever (including, without limitation, direct or indirect claims, damages, interest, attorneys’ fees, and any other costs, expenses or liabilities whatsoever), whether based on federal, state, local, statutory, or common law, in equity, or on any other law, rule, regulations, ordinance, contract, whether fixed or contingent, known or unknown, liquidated or unliquidated, suspected or unsuspected, asserted or unasserted, matured or unmatured, arising from or relating in any way to the GOM Obligations or other amounts due in connection with or arising under Lease OSC-G 34831, Block 145, Ship Shoal Area.

5. Notwithstanding anything to the contrary in this Order or any related document, nothing shall affect, waive, or limit (i) the decommissioning obligations set forth in the Outer Continental Shelf Lands Act, 43 U.S.C. 1331 et seq., and its implementing regulations found in, among other places, 30 C.F.R. Part 250 subpart Q and 30 C.F.R. Part 556, and any other regulatory obligations as determined by Interior, that must be met by the Parties on the Federal Leases going forward or Interior’s enforcement thereof; or (ii) Interior’s regulatory authority under applicable laws and regulations; or (ii) the authority of any tribunal of any jurisdiction it may have under

police or regulatory law to interpret this Order or to adjudicate any defense asserted under this Order.

6. The Contingency Reserve will be allocated by the Trustee to each of the ten GOM Obligations in proportion to the ~~CMC-Morrison~~ Base Bid for each GOM Obligation as provided in Exhibit A. Upon successful completion of the plugging, abandonment, and decommissioning requirements of any GOM Obligation, the Trustee shall promptly refund *pro rata* any unused portion of the Contingency Reserve allocated to the particular GOM Obligation so completed after providing the Paying Entities ten days' notice as described in paragraph F above.

7. Upon successful completion of the plugging, abandonment, and decommissioning requirements of all GOM Obligations, and upon payment by the Trustee of all fees and expenses approved by the Court, the Trustee shall promptly refund *pro rata* any unused portion of the Administrative Costs Fund to the Paying Entities after providing the Paying Entities ten days' notice as described in paragraph F above.

8. The Trustee shall not be entitled to collect a statutory commission on any funds refunded to any Paying Entity under this Stipulation and Agreed Order.

9. It is understood and agreed by Principal that the payment allocation set forth in Exhibit A is correct and accurate. It is further understood and agreed by Principal that Surety's allocated payment, less a \$500,000.00 payment by Principal which will be credited against the total amount of loss, as defined by the General Agreement of Indemnity, sustained by Surety shall be fully securitized by Principal in a manner acceptable to both Surety and Principal ~~prior to release of any funds by Surety.~~

10. If the cost of completing the plugging, abandonment, or decommissioning of a particular GOM Obligation is expected to exceed both the ~~CMC-Morrison~~ Base Bid Amount plus

the allocated Contingency Reserve (an “Overage”), and the Trustee is not able to work out an agreement to cover the Overage with the appropriate Paying Entities, the Trustee may file a motion with the Court requesting payment from one or more Paying Entities who may be responsible for their share of the Overage for that particular GOM Obligation. Except as set forth in paragraph 4 above, any Paying Entity responsible in whole or in part for the particular GOM Obligation under applicable non-bankruptcy law shall continue to be responsible under applicable non-bankruptcy law with the Trustee standing in the Debtor’s shoes; all parties reserve their rights under this paragraph, and no parties’ rights under applicable non-bankruptcy law shall be altered, amended, or adjusted in any way to the extent that this paragraph applies except as explicitly stated in this Stipulation and Agreed Order. Except as set forth in paragraph 4 above, if, after the Release Date, any Paying Entity, the Debtor or Trustee is notified by any governmental entity that further work is required on any GOM Obligation due to alleged problems resulting from a failure to perform decommissioning work properly or fully and that results in further plugging, abandonment, and/or decommissioning work being required on a GOM Obligation, notwithstanding the release provided in paragraph 3, any Paying Entity responsible in whole or in part for the particular GOM Obligation under ~~under~~ applicable non-bankruptcy law shall continue to be responsible under applicable non-bankruptcy law; all parties reserve their rights under this paragraph, and no Paying Entities’ rights to seek contribution under applicable non-bankruptcy law for such subsequent obligation shall be altered, amended, or adjusted in any way.

11. The Trustee shall provide to the Paying Entities such periodic reports as are customary in the industry for ongoing decommissioning work, as requested by each such Paying Entity; provided that, McMoRan Oil & Gas LLC has requested (and the Trustee will provide through Morrison~~CMC~~ and/or Petrostream) customary daily reporting pertaining to SS 144 and

SS 159. The Trustee, ~~CMC~~Morrison, and Petrostream shall further work in good faith with the Paying Entities and Peter Salas regarding the manner in which any work is completed including providing customary daily reports during work. Notwithstanding anything to the contrary, time is of the essence regarding the completion of the decommissioning work and all Paying Entities reserve the right to request relief from the Bankruptcy Court to the extent that such decommissioning work is not completed in a timely and prudent manner.

12. Nothing in this Stipulation and Agreed Order shall be deemed to expand, alter, or amend the rights and obligations of any Paying Entity under applicable non-bankruptcy law. No Paying Entity shall incur liability arising from any activities, communications, agreements, contracts, subcontracts, operations, preparations, payments, non-payments, or work performed or not performed (by any person or entity) on or relating to Leases, Rights-of-Use Easements, and/or Rights of Way that do not pertain to the respective Paying Entity's interests or former interests.

13. Subject to paragraph 14 below, each Working Interest Owner shall be deemed to have an administrative claim under Bankruptcy Code sections 503(b)(1)(A) and 507(a)(2) not to exceed the following amounts for such Working Interest Owner's payment of the Debtor's obligations to pay insurance, the bankruptcy administrative costs, and the fees to Petrostream as actual, necessary costs and expenses of preserving the estate (the "Working Interest Owner Administrative Claims"):

	Exxon	Ridgewood	Fieldwood	Omimex	Cont. Land	White Oak	McMoRan
Insurance renewal	9,373	187	13,639	11,701	2,224	1,483	13,825
Petrostream	15,577	312	22,666	19,445	3,696	2,464	22,974
Bankruptcy admin cost -8%	29,923	598	43,541	37,354	7,099	4,733	44,134
Total Admin Fee	54,874	1,097	79,847	68,501	13,019	8,679	80,933

In order to be entitled to payment, each Working Interest Owner shall file a request for payment of administrative expense within 30 days of the date the Trustee files her final notice of occurrence of the Release Date for the last GOM Obligation completed under this Stipulation.

14. The Working Interest Owner Administrative Claims shall be subordinated only to payments owed to the Trustee, her court-approved professionals, and amounts required to maintain adequate insurance. To the extent that funds are available to pay some, but not all of the Working Interest Owner Administrative Claims, the Trustee shall pay the Working Interest Owner Claims on a pro rata basis amongst the Working Interest Owners identified in paragraph 13.

15. No Chapter 7 Trustee's commission or fees of the Trustee's professionals shall be charged against the Contingency Reserve without the consent of the affected Paying Entity or approval by the Court after notice and hearing to all affected Paying Entities.

16. Any Bankruptcy Rule (including, but not limited to, Bankruptcy Rule 6004(h)) or Bankruptcy Local Rule for the United States Bankruptcy Court for the Northern District of Texas (the "Local Rules") that might otherwise delay the effectiveness of this Stipulation and Agreed Order is hereby waived, and the terms and conditions of this Stipulation and Agreed Order shall be effective and enforceable immediately upon its entry.

17. This Stipulation and Agreed Order contains the entire agreement by and among the Parties with respect to the subject matter hereof, and all prior understandings or agreements, if any, are merged into this Stipulation and Agreed Order. The terms set forth in this Stipulation and Agreed Order are part of a comprehensive compromise, and each term of this Stipulation and Agreed Order is an integral aspect of the agreed compromise and is non-severable.

18. This Stipulation and Agreed Order shall not be modified, altered, amended or supplemented except by a writing executed by the Parties or their authorized representatives.

19. This Stipulation and Agreed Order shall be effective immediately upon approval by the Court.

20. Neither this Stipulation and Agreed Order, nor any actions taken pursuant hereto, shall constitute evidence admissible against the Parties in any action or proceeding other than one (a) to obtain approval of and to enforce this Stipulation and Agreed Order; (b) to seek damages or injunctive relief in connection therewith; or (c) to prove that the Automatic Stay has been modified to allow pursuit of the Claims in accordance with the terms hereof.

21. The Court shall retain exclusive jurisdiction (and the Claimants consent to such retention of exclusive jurisdiction) to hear and determine all matters arising from or related to the implementation, interpretation, and enforcement of this Stipulation and Agreed Order.

22. Peter Salas, along with any entity in which he or Dolphin _____ owns a 20% equity interest, is hereby given a credit of \$500,000 toward any liability on any claim the Trustee may bring against him in this case.

23. The Trustee agrees that she will be a co-plaintiff in the dispute between Hoactzin and Omimex over their respective interests in the Ship Shoal 145 lease currently pending before the United States District Court for the Southern District of Texas.
